MISSOURI STATE FAIR AT SEDALIA OCTOBER 2-8

The Missouri State Fair for 1909 is to be by far the best yet held. There will be more speed events for larger purses, more machinery, more horses, cattle, swine, more agricultural and horticultural exhibits, a better dairy display and, in all a bigger Fair than ever before.

The State Fair is better advertised, the railroads have been more liberal in the way of rates and special trains and the special attractions are the best. Some of the best performers in the country have been engaged. Mulhall's Roping and Riding Exhibitions in front of the grand stand every day. Lucile Mulhall, whom ex-President Roosevelt says is the best horsewoman in America, will give exhibitions and also rope and tie wild steers in front of the grand stand.

Whereas, Nannie A. Mullins and J. H. Mullins, her husband, by their certain deed of trust dated the 17th day of October 1907, and recorded on the 19th day of October 1907, in the Recorder's office in and for Barry County State of Missouri, in book 40, at page 515, conveyed to C. W. Lehnhard as trustee the following described real estate, situate, lying and being in the County of Barry and State of Missouri, to-wit: All of lot numbered four (4) in Block numbered two (2) in Marshalls Second (2nd) addition to the city of Monett Missouri, to secure the payment of sixty six notes in said deed of trust described, and where as default has been made in the payment of fifteen of the said notes, and of the interest on said notes, and the legal holder of said notes on account of said default in pursuance of the option in said deed of trust has elected to declare the whole of said debt and interest due and payable. And whereas the said deed of Trust makes provision that in case of death, absence or refusal of the aforesaid trustee to act, the then acting sheriff of Barry County Missouri, at the request of the legal holder of said notes might proceed to sell the property herein described, and whereas the said C. Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease. In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism, but now, at last, I uniformly cure all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic fluid, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend
